7. SELECTION OF POTENTIAL WINNERS:

On or about ~~April 20~~August 10, 2020 at 4:30PM Pacific Time, at SuiteWorld in Las Vegas, a team of qualified judges selected by Sponsor will review all team presentations and solutions developed by teams. Teams of Entrants who submitted the selected Finalist Entries will have an opportunity to make a short presentation of their Entry to the judges and audience members present at the Hackathon 4Good at SuiteWorld.

To be considered as a Finalist, the Solution each team of Entrants submits must:

- use the SuiteCloud Technologies made available to Entrants for the Challenge;
- have been developed solely as part of this Challenge on the Challenge Date; and
- comply with these Challenge Rules.

Winners will be determined by the Judges. Because this is a contest of skill, winning the Challenge is dependent on the quality and number of submissions received.

The judges will score the Entries based on the following criteria:

Contest Judging Criteria		
30%	Innovative/Creative Platform Use	How creatively does the project make use of the NetSuite platform? Are they providing a solution which is unique, clever, or insightful in its approach, methodology, and use of resources?
40%	Challenge Alignment	How closely does the proposed solution align to the stated goals of the grantee? Can it be implemented for the grantees stated purpose and vision of utility?
25%	User Consideration/ Implementation	How user-friendly is the created solution? How easily can it be implemented and maintained by the grantee? How easily does it integrate into the current infrastructure?
5%	Presentation	How well did the team communicate? How well did they respond to questions from judges? If there were any clarifications to be made, were they able to provide satisfactory answers?

In the case of a tie, the Entry that receives the highest score in the Novelty/Innovation category will be deemed to be a potential winner. Sponsor will notify the potential winner immediately following the conclusion of the Finalist presentations and judging. The potential winner(s) will be required to sign and return an Affidavit of Eligibility/Liability/Publicity Release ("Affidavit") within 1 hour following notification. If Sponsor is unable to reach a potential winner, the Affidavit is not properly completed and returned to Sponsor within 1 hour from the date and time it was presented to a potential winner, if a prize or prize notification is returned as non-deliverable, or if a potential winner is found not to have complied with these Official Rules in any way, the prize will be forfeited and an alternate winner will be selected.
